ZELUP® Blaster

Ecofriendly, 3 in 1 high-speed cleaner.

Based on hydro-pneumatic fragmentation, a new cleaning technology has been patented by Zelup®. It uses only 15 – 40 liters/h and therefore 15 times less water than a high-pressure cleaner. This very low water consumption allows not only substantial saving, but also indoor cleaning.

The Zelup® Blaster does not produce any splashes or puddles and no water reaches the already cleaned surface. Equipped with an ingenious double trigger, it instantly switches between the cleaning and the drying mode. Its accessory brushes allow a deep washing.

Your benefits summed up:

- Ecofriendly cleaning system for indoor use
- By using a wall mounted connection box, the ZELUP® BLASTER is continuously ready to use
- 3 functions with 1 tool: washing, brushing and drying
- The mobile cleaning station enables the universal use in your sport or rental shop
- Wall mounted connection box for operational readiness at one location

The Zelup® Blaster is thus 3 in 1: It washes, brushes and dries!

 Wash

 Brush

 Dry

Accessories and brushes.

Zelup® Blaster with straight brush and hose, l = 2.5 m

With nozzle Ø = 2,5 mm for boot cleaning and rental equipment.

Art.no. 55-240-210

Zelup® Blaster with flower brush and hose, l = 2.5 m

With nozzle Ø = 4 mm for bike cleaning.

Art.no. 55-240-215

Additional hose with Z-connection

Art.no. 55-240-220 l = 3 m

Art.no. 55-240-225 l = 5 m

Art.no. 55-240-230 l = 10 m

Cleaning Additive Zebiotics®

Ecofriendly cleaning solution, mixing ration 1 - 2,5 %.

Art.No. 55-240-240 0,5 lt.

Pressure tank Inox 12 l with automated pressurization

For the mobile use. Requires a compressed air connection with 6 - 7 bar operating pressure and 160 - 200 lt. output volume.

Art.no. 55-240-265

Rigid extension for Zelup® Blaster

Art.no. 55-240-245

Flexible extension for Zelup® Blaster

Art.no. 55-240-250

Wall mounted connection box

For the stationary use without pressure tank.

Water flow adjustable between 0 – 60 l/h.

Art.no. 55-240-235

Optional brushes

Art.no. 55-240-255 Flower brush

Art.no. 55-240-258 Straight brush, 15 mm

Art.no. 55-240-260 Straight brush, 30 mm

Cleaning stations

Art.no. 55-240-270 Zelup® Box, stainless steel, 50 x 50 x 50 cm (L x W x H)

Art.no. 55-240-275 Zelup® Snow Box with wheels, stainless steel, 50 x 50 x 100 cm (L x W x H)

Art.no. 55-240-280 Zelup® Station with wheels, galvanized steel, 150 x 100 x 15 cm (L x W x H)
